

Research Policy

Bundelkhand College, Jhansi

Introduction

Bundelkhand College, Jhansi recognizes research as a vital component of academic excellence and institutional growth. The College aims to foster a culture of inquiry, innovation, and critical thinking among faculty members, research scholars, and students. This policy provides a framework to guide research activities, ensuring quality, integrity, and relevance to societal needs.

Objectives

1. To promote a vibrant research culture within the institution.
2. To encourage faculty and students to undertake research projects of academic and social relevance.
3. To support interdisciplinary and collaborative research at regional, national, and international levels.
4. To strengthen research infrastructure, resources, and funding opportunities.
5. To disseminate research outcomes for the benefit of society, industry, and academia.

Research Promotion and Support

- Faculty and students will be encouraged to undertake Minor and Major Research Projects funded by recognized bodies.
- The College facilitates participation in conferences, workshops, and seminars.
- Collaborative research with industries, government agencies, and academic institutions is promoted.

Research Ethics

- All research activities must comply with ethical standards, ensuring honesty, integrity, and accountability.
- Plagiarism is not tolerated, and therefore strict measures will be adopted to maintain originality.

Research Infrastructure

- The College is always active developing and strengthening libraries, digital repositories, and other facilities to support research.
- Access to e-resources, software tools, and databases is continuously expanded.
- A Research Committee will monitor the progress of research activities and suggest improvements.

Funding and Collaboration

- Faculty and students are and will be guided to apply for grants from government and private funding agencies.
- The College encourages Memoranda of Understanding (MoUs) with research institutions and industries for collaborative projects.

Publication and Dissemination

- Faculty and students are and will be motivated to publish in Scopus/UGC CARE-listed journals.
- Research findings are and will be disseminated through seminars, workshops, conferences, and institutional publications.
- Intellectual Property Rights (IPR) is continuously supported.

Implementation and Monitoring

- A Research Advisory Committee will oversee the implementation of the Research Policy.
- Recommendations will be made to improve quality and align research with institutional and societal goals.

Conclusion

Through this Research Policy, Bundelkhand College, Jhansi envisions building a strong research ecosystem that fosters creativity, innovation, and societal progress. The College commits to providing continuous support and opportunities for impactful research.
